Community Centre expansion gets boost from government

by Jay Kerr-Wilson

The expansion of the Minden Community Centre can begin now that the province has kicked in \$143,000.

In Lindsay last Wednesday, tourism and recreation ministry spokesman Dan Waters announced the grant as part of a \$744,577 windfall to 16 projects in Victoria and Haliburton counties.

Minden councillor Lewis Stevens said the provincial money will be added to the Rotary Club's \$100,000 donation and the township's share to meet the costs of the expansion.

The township is planning to build an addition to the community centre which will increase the number of people the facility can accommodate. The expansion will cost about \$300,000 and Stevens said the township will raise money to cover the cost of additional work and added features.

"Everything's in place," said Stevens. "I don't see any reason why we can't get the work underway by May."

The expansion of the

community centre is only part of the township's plans for the building. They also hope to expand the arena portion of the facility and build new dressing rooms.

Although the provincial funding applies only to the community centre and no money was allocated to the arena, Stevens said the arena expansion plans aren't

dead.

"We'll get the community centre out of the way first," he said. "We'll take things as they come."

The Recreation Committee will be setting up an ad hoc building committee and an ad hoc fund raising committee to oversee the work on the community centre said Stevens.

County votes to defer property reassessment

by Jay Kerr-Wilson

County council has voted to defer immediate implementation of market value reassessment, but made it clear that delaying the proposal does not mean it will be abandoned.

"When you see the reaction, it's clear we have to do something to explain this thing," Bicroft Reeve Bill Howe said in support of the resolution to defer. "It scares everybody."

Warden Carol Puffer said the county will begin a

public information campaign during the summer to discuss the proposed reassessment with residents and inform them about the resulting changes.

Sherborne Reeve Don Shortreed said while it's important to defer the reassessment in order to allow for more public discussion, he reminded council of the inequalities in the present property tax system.

"There are people out there paying the wrong

Lutterworth pitches in to help townhouse project

by Susan Grober

The project for a 22-unit townhouse in Minden Village has overcome another hurdle.

Sponsored by the Staunworth Non-Profit Housing Corporation, the townhouses are to be built on a parcel of property owned by Mabel Brannigan and located just off Prince Street at Highway 35.

Staunworth representatives Elizabeth Wright and Bob Beene approached Lutterworth Council at its meeting Thursday night, and asked the township to help expediate the matter.

"We were hoping to get people in there by this fall," said Wright.

Because municipalities are exempt from the severance application process,

the corporation wants to save time and avoid this process by conveying property to the townships of Lutterworth and Stanhope.

"Lutterworth would hold the property until the road is brought up to standard," said Wright. Then the property will be conveyed back to Staunworth.

All of council agreed to the request, and a resolution

was passed.

"I think anything is great to help get her rolling," said Councillor Bill Valentine.

Beene said the \$2.5 million project will create fully self-contained units, each with four appliances and a garage. The plan is for 20 non-profit townhouses, with two houses for handicapped individuals.

Wright said the townhouses won't necessarily be for senior citizens. "Rent will be geared to income," she said. "It's based strictly on need."

The project is the result of the 1988 family housing survey conducted by the Haliburton County Social Action Committee, which indicated a need for low-cost accommodation in the area.

Staunworth will work together with the social action committee on tenant selection, and the buildings will be owned and maintained by Staunworth.

The Ministry of Housing has already approved the 20 housing units. If the project can be built for less than ministry-approved costs, then Staunworth will request approval of two additional units.

Canadian Forum

In this week's column, history teacher Frank Wallace talks about the inconsistency with which English Canada has dealt with Quebec. He says Quebec's demands, as spelled out in the Meech Lake Accord, should be accepted.

See page 2

Success on ice

For the seventh time in the last 10 years, Minden skaters have captured the Club Trophy at the Kawartha Highlands Inter-club competition as 26 local skaters took to the ice in Lakefield.

Not fit to be tied

Lutterworth council has decided it doesn't want to display one of the plywood yellow ribbons being distributed by the Minden Legion as a way to honour Canadian Forces in the Gulf war.

See page 3

Treatment of Quebec is inconsistent

This week's submission to the Canadian Forum is written by Frank Wallace. A resident of the county since 1975, Mr. Wallace is a history teacher at Haliburton Highlands Secondary School.

by Frank Wallace

O-O-O Canada. The threat of a possible break-up is real, though the idea is not new. French Canada off and on, both before and after Confederation in 1867, has been treated inconsistently by first Great Britain and then by a succession of Canadian federal governments. Against this background that at times exploited, manipulated and on the other hand promoted bi-cultural co-operation and growth, French Canadians have struggled valiantly to take advantage of opportunities to retain and promote elements they considered unique and essential to their heritage. Presently it appears they may feel too restricted in this endeavour to remain in Canada.

Throughout this process they have sometimes viewed English-Canadians with disdain because we appeared to take little pride in our cultural heritage and growth. We have appeared to the French Canadians as but a pale imitation of American culture, while proclaiming our British heritage. They have found this hypocritical and have asked themselves why they should remain with people who do not even take pride in their own culture?

Now what is to be done? I can only speak for myself and feel terribly inadequate in trying. People who have something good frequently have to lose it before they can appreciate what they had. We have so much that is good in Canada, but it takes getting out of Canada in order to appreciate it. And it is our lack of appreciation of our great country that is our most vexing problem. But many Canadians will never have the opportunity to go beyond our borders to realize this. This makes me feel that my words in this article will have no real effect. At any rate...

I love and appreciate the people, our economic well-being, the cultural and political institutions and privileges, and natural beauty of our country. I sense that if only we understood more clearly the needs of French-Canadians, and for that matter native people and women, we all could grow stronger within a renewed and revised country. *Change is needed.* We should turn this current controversy into a great opportunity to change our country for the better based on what Canadians take pride in and are tolerant of.

Here are a few ideas to consider:

1. The will to change has to exist. I hope it does, but I am not convinced. Demanding that Quebec accept Canada as it is, is self-defeating and will result in the break-up of Canada. This in turn will have more negative economic, social, political and possible military implications for all.

2. French Canadian concerns as outlined in the

Canadian Forum

Meech Lake Accord should be accepted within a new constitutional package along with new Native, women, and regional rights, (i.e. revised Senate) and new responsibilities.

3. All cultural/ethnic groups should be encouraged to think of themselves as Canadians first and of their former cultural background as of second importance.

Money from the public purse should be used to promote Canadian culture. If people want to promote other cultural heritages, that is great. It has made and continues to make Canada richer culturally. But such promotions should not be at the expense of the public purse. Such actions in the past have resulted in too much intolerance.

4. Bi-lingualism and bi-culturalism as it is now implemented across Canada is artificial and breeds more intolerance than tolerance and pride. Something that legally promotes our cultural heritage where numbers of people warrant, would be more appropriate.

5. Cultural and geographical differences of our country need to be promoted as a distinct advantage—something to have pride in. Travel may be the best way to appreciate this.

Perhaps by promoting tourism within Canada by offering substantial federal and provincial tax deductions to those people who holiday in regions outside the one in which they regularly reside could help.

The key to our future lies with our youth. Perhaps our governments can offer tax deductions to employers who hire young people on a temporary basis from regions outside their local region; to people who give lodging to youth from other parts of Canada; and to young people who choose summer jobs in regions different from their own by subsidizing transportation costs.

6. Politically the country needs a strong and effective central government, balanced by strong equitable regional interests. What we have had is a strong central government that has not been as efficient or effective as it could be. Also for too long, Ontario and Quebec alone have determined policy effecting other regions. This needs to be addressed constitutionally.

Ultimately, I hope that even if people disagree about our respective future visions, that we can remain tolerant of and respect the attempts to help our country in its hour of need, and that we can all learn and grow from the process.

Minister agrees to meet with CAS over funding crisis

by Jay Kerr-Wilson

The Minister of Community and Social Services has agreed to meet with the Kawartha-Haliburton Children's Aid Society to discuss the agency's financial crisis.

Three weeks ago the board of directors of the Children's Aid Society announced that the agency was facing bankruptcy and would turn operations over to the ministry if the budget crisis was not addressed.

Bob Penney, executive director of the society, told *The Times* on Friday that the agency will be meeting with Zanana Arkande, minister of community and social service, on March 4. In the meantime the agency is being provided with enough money to continue operations.

"They're ensuring we don't run out of money before we have a chance to meet with the minister," Penney said.

In a letter to the minister, Children's Aid president Roy Wood said the society needs \$250,000 by the end of

February in order to continue operations.

Although the ministry has agreed to cover expenditures in the short-term, Penney says the agency wants to discuss a long-term solution to the problem. The society has an accumulated debt of \$1 million and reached the limit of their line of credit at the bank.

"We're going to put these issues on the table when we meet with the minister," said Penney. "It will give her the opportunity to respond to our situation."

The agency wants the ministry to review the budget and level of funding and either suggest ways to reduce spending or approve the necessary funds to cover expenditures. The society has been running a deficit ever since 1987.

Currently, 90 per cent of the agency's budget is spent directly on children's care through staff costs and residential placement. Wood says the society is running as efficiently as possible and can not cut spending without effecting the level of care provided.

Lutterworth gets grant for study of landfill

by Susan Grober

A \$26,000 provincial grant will pay for a hydrology study being conducted at Lutterworth's former Steeles landfill site.

"We're just thrilled about it," Lutterworth Reeve Carol Puffer says of the grant, which was announced last week.

In August, the township applied to the Ministry of the Environment for funding under its Waste Management Improvement Program.

The money was needed to deal with part of Joe Sammut's 200-acre Deep Bay Road property, five acres of which the township had leased for 17 years to use as a dump.

When Sammut decided to close the dump last May, the township had to meet a ministry requirement that a hydrology study be conducted.

The study has been done, and the township expects the results sometime this month, says Puffer.

Minister of the Environment Ruth Grier is allocating a total \$26 million in grants to municipalities throughout Ontario to create jobs for environmental projects.

Tired yet?

It was all fun and games in Haliburton's Glebe Park during the annual Winter Carnival. These kids were among the many who took part in the variety of events held at the park. Included in the afternoon was an improvisational game of soccer with an inner tube.

Skateboard bylaw revoked

by Susan Grober

Dysart council has wiped out a bylaw controlling the use of skateboards in Haliburton Village.

The bylaw was established last fall to address the problem of skateboarders using the busy streets and sidewalks of downtown Haliburton.

"Who's going to enforce it?" asked Councillor John Parish at this month's meeting. "Why have it?"

Councillor Bob Nichol said it's a good idea to have the bylaw in place to prevent problems if skateboarders

take advantage of their privilege to use the streets. "If it's abused, then we'll have it," he said.

Councillor Murray Fearrey said he and Roads Superintendent Jim Taylor almost hit a skateboarder while they were driving near Emmerson Lumber. "He was coming down the sidewalk to the road. It's dangerous."

Some council members felt an alternative skateboard area should be outlined before any restrictions are made.

"We should be telling them where to go," said

Councillor Dorothy Baker. "The way that bylaw reads, they can't go anywhere."

The Dysart Arena was previously considered as a place for skateboards, but council has since learned the cement just can't handle it.

"I don't think it's our responsibility to tell them what streets to skateboard on," said Reeve Bill Davis, defending the bylaw as it stands. "We've reacted to a situation in the downtown core, that's all we're doing."

Council voted to rescind the bylaw, with Davis and Fearrey in opposition.

Pollution surveys denied two lakes

by Susan Grober

Cottage Pollution Control Surveys will not be carried out on Lutterworth's lakes.

At last Thursday's meeting, council considered a letter from the Ministry of the Environment turning down a request made last October to have surveys on Gull Lake, Davis Lake and Moore Lake.

Because of other priority commitments, these lakes will not be surveyed during the 1991 season, wrote Environmental Officer Saigeon, of the ministry's central region office in Gravenhurst.

However, Davis and Moore are on the list of priority lakes which require "immediate attention," he

wrote. Davis Lake is eighth in line.

"Well, at least we're right in there," said Councillor Bill Valentine.

"We're in the top 10," added Councillor Lisa Mercer.

Saigeon asked the township to complete a lake survey request form. Lakes are reviewed and re-prioritized each year so those in need of "immediate abatement" can be surveyed.

Because the form requests such information as the number of cottages on a lake, and the age range of the cottages, Reeve Carol Puffer suggested copies be sent to property owners' associations for help.

"I think it's time we started working together with these cottage associations," she said.

Tax change delayed

(from page 1)

share," he said. Shortreed cautioned against prolonging a decision for too long and said, "it could be implemented next year."

Glamorgan Reeve Bob McCausland expressed some reservations about delaying implementation. Because his township was one that is paying a disproportionate share of the tax burden, McCausland said he was ready to cast his vote.

But Howe said Bicroft is the one township already operating under Section 70

market value assessment and he still favours a delay. "You think you're paying a wrong share, look at us," he said. "But we have to make sure people understand it."

Puffer suggested a series of meetings be scheduled to allow ratepayers to discuss the issue with the elected politicians.

Because of the importance of the issue, Shortreed said every municipality in the county should host its own meeting, "to give everyone a kick at the bucket."

Lutterworth won't display Legion's yellow ribbons at office

by Susan Grober

Lutterworth Township won't be tying yellow ribbons 'round the old oak tree, nor anywhere else for that matter.

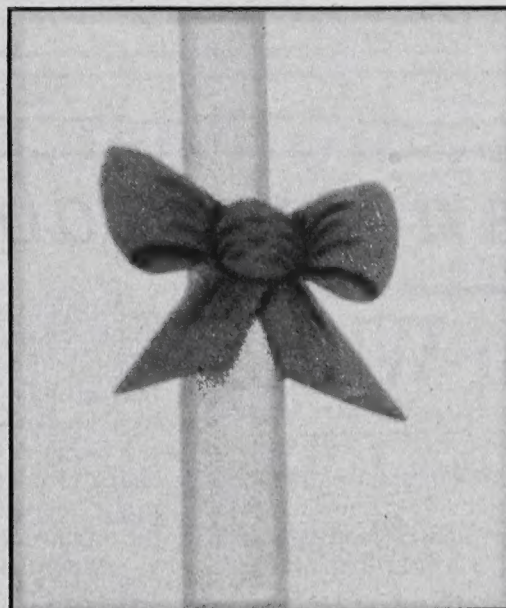

Last Thursday, council turned down a request from a member of the Minden Legion to mount a yellow plywood ribbon on the township's flagpole to show support for Canada's troops in the Persian Gulf.

"I feel badly that our guys are over there," said Councillor Bill Valentine. "We're killing Canada's image as a peace-keeper."

The yellow ribbons are mounted on flagpoles around the county. And many individuals display real ribbons outside their homes.

"It's as American as (President George) Bush," Valentine said of the practice, which was used after staff members of the United States Embassy in Iran were seized as hostages in 1979.

"If it's American, you've got my vote against it," said Councillor Lisa Mercer.

The Legion is placing yellow ribbons, like the one shown above, at location around the county.

"I think it's good to support the men who are over there," said Deputy-Reeve Jim McMahon.

Councillor Maurice Boyd joined the ranks of those who felt the township shouldn't get involved with the yellow ribbons.

"I realize maybe we shouldn't be over there, but we are there," said Boyd.

Although he feels Iraqi President Saddam Hussein must be stopped, Boyd said the Canadian army is ill-equipped to fight a war.

"All we've got is a couple of tin cans out there," he said.

He also criticized the United Nations for failing to keep peace, and for using force against Iraq. "As far as war is concerned, I don't like it. But the UN are the ones to blame."

Valentine noted that Victoria-Haliburton MPP Dennis Drainville was blasted for taking part in a peace demonstration at the Minden cenotaph.

"I don't even think our guys should be over there," he added. "It's hypocritical,

as far as I'm concerned."

The request was made by legion First Vice President Dave McAdam, who told *The Times* the ribbons can be found mounted on flagpoles at the legion, the Ministry of Natural Resources, Ontario Hydro, the county cairn, the county office, and the municipalities of Stanhope and Minden.

The idea of using yellow ribbons came from the song made popular by Tony Orlando and Dawn, said McAdam.

"The song is about somebody returning home, and the yellow ribbons are used to show they are welcome," he said.

"They are used particularly in the United States to support their troops in the Gulf. A number of people in Canada feel we shouldn't be in the Gulf, but the legion has traditionally supported these decisions."

The ribbons were constructed out of plywood by Service Officer Bud Murray, and painted by his daughter. "It's been sort of a joint effort," said McAdam.

The decision by the Minden Legion to display yellow plywood ribbons throughout the county should be commended.

Despite the growing unpopularity of Canada's role in the Gulf war, no one should be offended by a public display of concern for the safety of Canadian troops in the region.

As a symbol, the ribbon represents a constant reminder of the friends and family who have been placed in a dangerous situation.

Like the poppy we wear in November, the ribbon is dedicated to the men and woman on the front lines. It isn't a show of support for the war and is in no way an acceptance of the political process which allowed the war to happen.

In recent weeks we have seen people who openly protest the war being branded as traitors who don't support our troops, when nothing could be further from the truth.

No matter how people feel about Iraq's invasion of Kuwait or the means being used to expel Saddam Hussein's army, most would agree that the safe return of our military personnel should be a prime concern.

And those who oppose the war, for whatever reason, should not assume that displaying the yellow ribbons signify any sort of support for the conflict.

No matter what Canada's role in the Gulf has done to our international image, or the actions taken by the coalition forces to expel Iraq from Kuwait, we should all be sending a message that we pray for the safe return of the men and women serving in the Gulf.

And all it takes is a yellow ribbon.

For a few, February is a favourable month

I have, down the centuries, tilted at my share of windmills in this space. I have looked on the bright side of Post Menstrual Syndrome, I've championed the Toronto Maple Leafs, The Beachcombers, the prose style of Richard Rohmer and I believe I even once said a kind word about Bill Vander Zalm, but I have not, by Thor, tried to use this column to defend the indefensible.

Until now.

I am about to say a few kind words about February.

I know, I know--it is the most unloved, intrinsically despicable month on the Calendar. Citizens can find it in their hearts to forgive April for its showers and November for its gales, but

Black 'n White

by Arthur Black

February? It is the dead cold heart of the unforgiving winter wasteland. The middle of nowhere. In February, the festive Christmas season is just a mocking memory. Spring is a heart-tickling tease beyond the farthest horizon.

It's hard to feel good about February.

Even its name is clumsy and unmelodic. It comes from "februa"--a Latin term for thongs of goatskin that were used during the festival of

Lupercalia back in Roman times. Selected youths would run around the streets of Rome swinging these goat hide thongs at childless matrons. Legend had it that getting swacked with a februa during Lupercalia would make a woman fertile.

So there you have it--a month named after a chunk of goat hide. But enough gloom! I come to praise February, not to moan about it. Let's look on the bright side.

Well, there's Groundhog Day, for one thing. Each year on February 2nd, citizens from burgs as various and far-flung as Alliston, Ontario and Punxsutawney, Pennsylvania crouch, shivering in the

(more on page 5)

Opinion

Ministry's control of environment proves destructive

Editor:

I am responding to an article entitled "Loose dogs threaten deer populations, MNR warns". Aside from the article

making me sick with its hypocritical absurdity, let me point out some facts about MNR and their beloved deer. Firstly, MNR supports the massive

Trails lack proper grooming

To all distraught members of H.C.S.A.:

The next time you are feeling down about the ghastly condition of our trails this winter, tune up your guitar, get out the music for "Where have All the Flowers Gone", and gently sing: "Where have all the groomers gone? They're not passing. Where have all the groomers gone?"

From all our trails.

In the machine shop every one, Getting straightened out again. Oh when will Tom come back? When will they ever learn?"

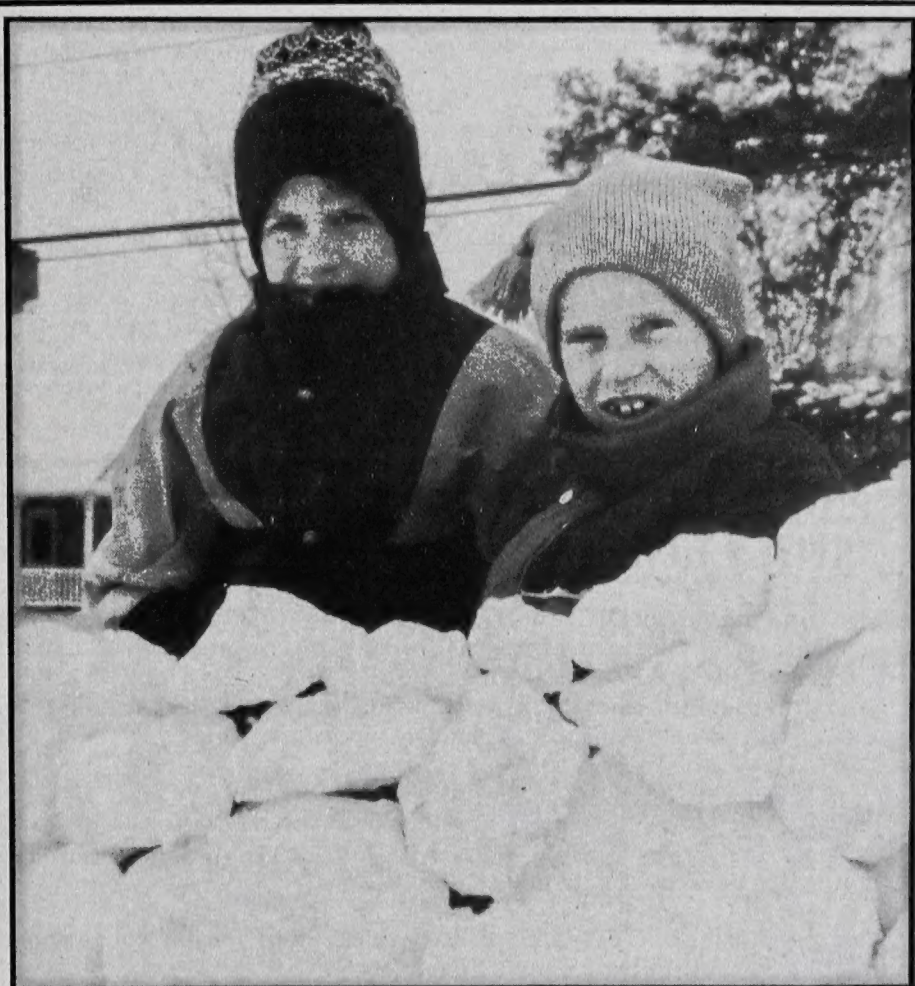

Think SMOOTH snow.

Yours truly,
Bill Valentine,
Lutterworth.

slaughtering of deer through so-called "sport"—hunting. Humans (mostly men) take the opportunity to roam and participate in the thrill of a deer chase which results in death or maiming. If the deer is maimed, and not killed, it is vulnerable to every type of harassment—civil or natural. Clearly, their intentions of protecting the deer is to ensure that they stay in the area of revenue. That is, anything that is associated with deer murdering—guns and hunting licences uphold a system designed for profit only. Furthermore, the MNR feels completely justified in man's control over the environment and does not even begin to consider nature's control over the environment. Moreover, the MNR upholds the massive slaughtering of natural animals through a cruel and inhumane method called trapping. Last year (according to MNR revenue

estimates) 11 million wildlife animals, in Canada alone, fell victim to these merciless snares and traps. Furthermore, we are told by the MNR that this massive slaughtering is necessary to keep the populations down. What a bunch of hogwash! As previously mentioned, nature is quite capable of taking care of itself without the interference of "man". Just look around us—the destruction of our natural environment is due to man's control over the environment and until we start changing our attitudes and moral responsibility to other living creatures, our problems will continue. At this point in time, a more accurate name for the MNR is MND - Ministry of Natural Destruction!

Ms. G. Vottero,
Gooderham.

Ambulance attendants deserve compensation for important work

Editor:

I have been following with great interest the debate going on between our ambulance attendants and local government officials regarding pay equity with attendants in the rest of the province.

While reading the remarks made by both sides, I can only wonder what the reasoning is behind Mr. Moore's thinking.

The Reeve of Anson, Hindon and Minden is trying to equate the work done by highly trained and skilled ambulance attendants with that done by all other municipal employees. Is this fair? We realize that all municipal employees play very important roles in the overall operations of our County but Mr. Moore must agree with me that should his life be on the line he would rather have the situation controlled by dedicated and professional people like our ambulance attendants.

Just this week in one of our local

newspapers there is a "Thank You" message from a family. This message includes family members, doctors and ambulance attendants. How important the ambulance attendants must have been to be included with the family members! It does make one stop and think about the roles of these men and women must have played.

Our ambulance attendants do not want any more than their rights as professionally trained people doing the jobs for which they have trained and dedicated years of their lives.

Are these men and women, who are ambulance attendants for our County, not as well trained as their counterparts in the rest of the province?

Please, Mr. Moore and negotiating members, be fair to these people who one day may be responsible for saving your life or mine.

Gerald Irish,
Haliburton.

Inventing fun for the year's most drab month

(from page 4)

mud and snow around the entrances of groundhog holes to see (a) if the groundhog survived January and (b) whether he will come out, stand semi-erect and cast a shadow. If he does, it's supposed to mean that we're in for six more weeks of winter.

I think it's rather wonderful that come February 2nd, winter-bound humans still have the pluck to get up, get dressed and go outside to skulk around rodent dens waiting for weather word from furry forecasters.

But Groundhog Day isn't the only celebration that makes February such a fun month. Oh, my no! Why, there's that Milwaukee Home Improvement Show opening on February 7th; and Ferris Wheel Day on February 14th. Did you know that George

Washington Gale Ferris invented the Ferris Wheel? Well he did, and his birthday anniversary is February 14th. I'll bring the candles if you'll bake the cake.

Canadians are downright hearty when it comes to enjoying February. There's the Winterlude Festival in Ottawa and Expo Nautique—the Montreal International Boat Show. On February 8th, hordes of winter-whipped frostbacks converge on Kelowna, B.C. for the annual Spaghetti Bridge Building Contests. The Calgary Winter Festival gets underway on February 15, as does the Yukon Sourdough Rendezvous. There's a Winter Carnival in Muskoka and the world famous Yukon Quest in which champion teams of dog sledders race over 1,000 miles of the toughest terrain on the planet to get from Whitehorse to Fairbanks, Alaska.

I know—I haven't even mentioned the February

festival or carnival or fiesta or hootenanny that your town holds each February—but that's my point. Canadians are so busy inventing different kinds of fun in February we don't have time to notice what a bummer of a month it is.

But you know the very best thing about February? It's something the Ancient Romans bequeathed more than 2,000 years ago. Looking at their calendar they realized that July had one more day than August. Since both months commemorated Caesars it was important to strike a diplomatic balance. So the Romans plucked the 29th day off the tail end of February and gave it to August. This made August the same length as July. It also gave the month February it's most attractive characteristic.

Brevity.

Assault charges laid against two locals

Police briefs

During the week of February 11-17, 1991, officers of the Minden Detachment investigated 49 general occurrences, 13 automobile accidents with three people injured and one snow vehicle accident with one person injured.

Thefts Around The County

Loon Lake - Hitachi 20" colour TV, Hitachi radio, JVC VCR, Nintendo game
 Birch Narrows - Panasonic ghetto blaster, Hitachi 20" colour TV, Sears VCR, liquor
 Davis Lake - 1980 Ski Doo Blizzard, black, Ontario licence 531833

South Lake - Magricon binoculars, cash, alcohol

Lakeshore Boat Repair, Haliburton - AM/FM radio, two 5 gallon gas cans.

Charged Assault

John Zygarlicki, 32, of Gooderham has been charged with assault after the incident was reported to police February 12. Zygarlicki will appear in Provincial Court, Minden, March 1, 1991.

Charged With Assault

William John Beattie, 49, of Minden has been charged with four counts of assault and one count of assault causing bodily harm. The charges relate to incidents as far back as 1984. Beattie will appear in Provincial Court, March 1, 1991.

Impaired Operation

Two snow vehicle operators have been charged with impaired operation of a snow vehicle and being over the legal

limit of 80 mgs after being stopped by police late February 16. John Edward Gardiner, 26, of Oshawa and Paul Hembruff, 26, of Ajax have been charged. Both persons are also charged with numerous offences under the Motorized Snow Vehicle Act. Both will appear in court March 1.

Snow Vehicle Accident

Robert De Guere, 36, of Oshawa received serious injuries in an accident late February 15 on the North Road in Monmouth Township. De Guere drove up onto the snow bank along the road and fell off the machine which rolled over. De Guere was taken to Haliburton Hospital and from there to hospital in Toronto.

Injury Accidents

Shirley MacIntyre of West Guilford received minor injuries on February 17 when the vehicle she was operating spun out on ice and rolled over on Hwy. 121 at the west end of Haliburton.

Icy Roads

Motorists are advised to use caution, particularly in shaded areas. As the days get warmer and the snow melts, it freezes in the shaded areas causing patches of ice.

Kinmount Legion President Al Jopling, left, and Lindsay Legion member Stanley Moore of the Charitable Foundation, right, present Jean Anderson of the Minden Hospital with a cheque for \$3,500 to be used for the purchase of new equipment.

Guild submits wish list to Dysart

by Susan Grober

It seems patrons of the arts have felt the effects of the recession the same as the rest of the country, as the Haliburton Highlands Guild of Fine Arts finds itself facing a \$7,600 deficit at the end of its fiscal year next month.

Past President Virginia Muenzel approached Dysart council at this month's meeting, along with Rails' End Gallery Curator Holly Hutchison, and bookkeeper Norma Douglas.

A \$22,000 conditional grant was requested from the municipality, "to help us sustain one of the most viable, educational, and culturally important organizations in this community," said Muenzel.

Reeve Bill Davis said council will take the request into account during its budget considerations.

The condition for this steep grant will be the result of a funding request the Guild has made to the Ontario Arts Council.

The Guild has faced sluggish sales at the Rails' End Gallery and shop, as well as decreased revenue through all fundraising efforts, with the exception of an art auction held last August.

But Guild members felt "insult was added to injury" when the curator learned the Minister of Culture and Communications, through the Ontario Arts Council, may either seriously cut back on, or totally cut-off an annual \$12,000 grant.

"It is not our desire to have to come begging to Dysart for bail-out money," said Muenzel. "But if the worst happens, and our funding from OAC is not forthcoming, we shall have no recourse but to return to this council and prevail upon you to make up the difference, possibly to the tune of \$12,000..."

"The loss of OAC funding would create a serious problem with shows in the gallery," she later added.

The Guild has been forced to tighten its belt in response to its budget problems.

"The (Guild) finance committee carefully made across the board cuts in all possible areas," said Muenzel. "The gallery staff has made every effort to create a more efficient operation at a lower cost, with good results."

A secretary/receptionist was laid off in December, with volunteers assuming any duties Hutchison and Douglas couldn't manage.

The committee also considered diverting unspent capital expenditures. "It was decided that would be an unproductive move," said Muenzel.

Through re-budgeting, the Guild managed to come up with a \$7,600, rather than a threatened \$15,000, deficit.

"This is taking into account the fact that we are already using our capital reserves," said Muenzel. "At the expected rate of approximately \$8,000 per month, they will have been totally depleted by mid-July when our fundraising goes into full gear."

"In essence, while we have carefully managed to reduce our expenditures by three per cent, our revenue has unfortunately dropped by 17 per cent," she said.

Because of the poor economy, the Guild is encouraging its artists to put more emphasis on smaller and affordable work to enter in the Summer Exhibition and Sale, the Guild Shop, and next winter's Christmas Sale.

The volunteer committee, headed by Mary Wallace, has recruited and begun training about 20 new members to take over extra duties.

And the Guild is dealing with the possibility of shifting permanently to a two-staff office, with additional part-time, student help during the peak season of July and August.

With Dysart's help, the Guild hopes to maintain a balanced budget, "while neither losing our artistic and educational integrity, nor the Rails' End Gallery's viable attraction as a well-publicized tourist draw," said Muenzel.

PIT AND QUARRY OPERATORS AND LANDOWNERS INVITED TO AGGREGATE RESOURCES WORKSHOP

The Minden District Office of the Ministry of Natural Resources wishes to inform you that the Municipality of Galway and Cavendish in Peterborough County and the Townships of Somerville, Dalton, Laxton, Digby and Longford in Victoria County are proposed for designation under the Aggregate Resources Act. Designation is scheduled for July 1, 1991.

This statute provides significant changes in the regulation of pits and quarries on private land in designated areas and regulates extraction of aggregates on Crown land and land under water.

Implementation of the Aggregate Resources Act in the above mentioned areas will result in the following changes:

- all pits and quarries are required to be licenced
- site plans must accompany applications for licences
- existing pit and quarry operators who wish to continue operating should apply for a licence within 6 months after designation
- pits and quarries must conform with the municipal zoning by-laws
- application fees are \$200.00 for a Class A licence and \$100.00 for a Class B licence
- a licence fee of \$200.00 minimum for a Class A licence and a \$100.00 minimum for a Class B licence or 6 cents/tonne, whichever is greater, will be applied
- a rehabilitation security fee of 8 cents/tonne will also be applied, based on production. These payments are refundable upon progressive or final rehabilitation as approved by the Ministry of Natural Resources.

The Minden District Office is hosting a workshop at the Coboconk Royal Canadian Legion on March 6, 1991 at 2:00 p.m., to provide more information to operators and landowners.

Any additional information on this matter may be obtained by contacting Dennis Simmons, Aggregate Resources Officer, at the Minden District Office - (705) 286-1521.

Man pleads guilty to possession of marijuana

The following cases were heard by Provincial Court Judge George Inrig last Wednesday in Minden. Jerry Woron acted as Crown Attorney.

Guilty plea to possession

A Tory Hill man pleaded not guilty to a charge of cultivation of marijuana, but guilty to a lesser plea of simple possession.

Charles Gordon Clarkson, 43, was charged after police found four marijuana joints and a small amount of hashish in his home, as well as a few marijuana plants growing in his field, and a small number of dried plants in the barn.

The charges were laid after police executed a search warrant at Clarkson's residence, surrounding buildings and property on July 16, 1990.

Federal Crown Attorney Lorne Chester said he accepted the lesser plea because he was advised by an investigating officer that the quantity of growing plants was very small. "It was just a few plants growing out of a clump of topsoil," he said.

Judge Inrig fined Clarkson \$300, which must be paid within 60 days.

Deep Bay Road mishap involved alcohol

A 31-year-old Oshawa man involved in an accident on Deep Bay Road last October pleaded guilty to impaired driving and lost his licence for a year.

On October 19, William Dean Jones suffered a cut to his lower lip after his southbound pickup truck failed to negotiate a slight curve, crossed the road, and hit a tree.

A breathalyzer test determined he had 180 mg of alcohol in 100 ml of blood. The legal limit is 80 mg.

Woron said Bowman has one previous impaired charge, in September of 1989.

Woron also noted the parked vehicle

In the courts

could have created a serious accident. "Fortunately, the vehicle wasn't stopped on the road with the lights out."

Defence lawyer Tim Johnston said Bowman doesn't remember getting into the truck and driving. He'd left home that night with no intention of driving. A friend had picked him up to go drinking at Gelert Gardens.

"He does not know how he got behind the wheel," said Johnston, asking for the minimum penalty.

Judge Inrig sentenced Jones to the mandatory jail term for a second offence. Also, the man's driver's licence is suspended two years.

Seven charges dismissed

Seven charges against a 46-year-old man involved in a single-car accident in Cardiff were dismissed because of unreasonable delay.

On April 12, 1990, Robert James Paul received minor injuries as the result of an accident he had while trying to make a left turn at the intersection of Highways 121 and 648.

He was subsequently charged with driving while disqualified, driving without a licence, failing to report an accident, failing to remain at the scene of an accident, failing to wear a seatbelt, careless driving, and having liquor in a vehicle.

Defence lawyer David Shapiera made a motion that the matter be stayed because there was a 10-month span between the time of the offence and the trial date. Under the Charter of Rights, the accused has a right to trial within a reasonable period.

Judge Inrig decided to stay the matter.

Trial remanded until treatment complete

A man faced with charges for two separate impaired driving incidents will return to court after he's gone through an alcohol treatment program.

Dawsey D. Haywood, 28, was charged with impaired driving, driving with more than 80 mg of alcohol in 100 ml of blood, and driving with a disqualified licence on both July 13 and November 29 last year.

Defence lawyer Tim Johnston told the court Haywood has an alcohol problem, and is currently attending a 28-day residential treatment program.

Judge Inrig agreed to remand the matter until April 17.

Trial by judge and jury requested

A 25-year-old Haliburton man has been bound over for trial on charges of impaired driving.

After an incident in Haliburton on June 26, 1990, Steven A. McElwain was charged with impaired driving, driving with more than 80 mg of alcohol in 100 ml of blood, and having liquor in his vehicle.

A preliminary trial was held last Wednesday, but Judge Inrig put a publication ban on evidence heard during the trial.

McElwain will be tried by a judge and jury on the impaired charges. As a result of the trial, the liquor charge was withdrawn.

Failed to appear

Douglas I. Haywood, 20, will return to court on March 13 on charges of obstructing justice and breach of probation.

Although he was expected in court last week, Woron said Haywood was told not to attend because he also faces break and enter charges which may be dealt with at the same time.

Correction

Last week's paper stated Kenneth Kreller was found guilty of theft and possession charges for an occurrence on April 15, 1990. The man was Kenneth Kreller junior, and the incident occurred at Wedgewood Marina.

OHOSP helps first-time home buyers

by Doreen Hawman

FIRST TIME HOME

BUYERS: The provincial government introduced the Ontario Home Ownership Savings Program to assist Ontario residents in saving for their first home. Individuals with incomes of less than \$40,000 and married couples with combined incomes of less than \$80,000 can benefit from interest earned on OHOSP funds, the OHOSP Tax Credit

and the Land Transfer Tax refund. When an OHOSP contributor files an annual federal income tax return, a claim for an OHOSP Tax Credit of up to \$500 per person or \$1000 per couple may be made.

HOMEOWNERS: To help homeowners become better informed about home energy use and about measures to improve energy efficiency, the Ministry of Energy for Ontario is dis-

tributing the following series of booklets free of charge. "Where and How To" - Insulate Basements; Improve Fireplace Efficiency; Caulk and Weatherstrip; Install Air-Vapour Retarders; Provide Fresh Air & control Humidity in a Tighter House; Insulate Cathedral Ceilings and Flat Roofs.

For copies of the above brochures see your nearest Information Centre.

County wants to hear from property owners in Gypsy spray blocks

Now's the time to do your part in eradicating those voracious, little beasts which have been devouring trees in the Haliburton Highlands.

The deadline for applications for the spray program against Gypsy moth caterpillars was January 15.

Meanwhile, the county is still waiting to hear from some property owners in areas mapped out for spray blocks.

Lutterworth Deputy-Reeve Jim McMahon

brought up the matter at last Thursday's council meeting.

He said the most infested area is at Little Gull Lake, where 41,000 egg masses have been found per hectare.

But not all people in the area have applied to have their property sprayed.

"I will personally try and get any applications from the area not sent in during the weekend," McMahon told council.

Gary KcKnight accepts a cheque for \$8,000 from the Minden Legion for the purchase of equipment at Hyland Crest. Presenting the cheque are, from left, Second Vice-President Lois Adamson, First Vice-President Dave McAdam and President Sally Bonner. At far right is Lindsay Legion member Stanley Moore representing the Charitable Foundation.

Chamber requests funds for marketing strategy

by Jay Kerr-Wilson

The Haliburton County Chamber of Commerce has presented its 1991 budget request to the county.

Chamber director Shawn Hagerman attended last Wednesday's meeting of county council and asked for \$73,500 as part of the tourism and marketing agreement between the Chamber and the county.

Hagerman said tourism is the one steady industry in Haliburton County during a recession that has slow downs in real estate, construction and the forest industry.

"Certain tourism sectors are holding their own while others, more sensitive to the recession, are in fierce competition for a shrinking tourist market," said Hagerman. "It has been with your help and foresight that the basic economic engine of the county - tourism, is still functioning."

He said the Chamber has been consolidating its operation and focusing on what it does best. Discontinuing the Ministry of Transportation License Bureau is one example of the changes decided upon by the board of directors.

In terms of marketing the county, Hagerman listed some of the projects

undertaken by the Chamber in 1990 including participation in tourism and travel shows in southern Ontario.

"The results were impressive," he said. "There have been over 10,000 tourist-related phone calls and visits to our Chamber office in 1990."

This January alone, Hagerman said the Chamber fielded more than 1,000 calls about the Sled Dog Derby, ski and snowmobile trails, lodge to lodge skiing, fishing, winter carnivals and the upcoming summer season.

He mentioned the Chamber's involvement in helping Minden's bid to host the 1993 convention of Ontario Small Urban Municipalities.

"Our Chamber is there to help anyone, any organization or any municipality whenever and wherever we can," he said. "We do, however, continue to need your support."

He said the Chamber's 1991 marketing budget has been set at \$73,500, an increase of five per cent in the amount contributed by the county last year.

The budget covers seven trade shows, at a total cost of \$12,700, advertising, event development, video production and promotions.

"We would obviously like more, but we

also recognize the restraints under which this county must operate," said Hagerman. Chamber members will be asked to continue to fund programs and several fund-raising projects are underway.

"It would be nice at some point for our Chamber to be more self-sufficient. This is an area we are working toward," he said. "However without your help, we would not be able to keep pace, and I may add, ahead of our competing neighbouring tourist regions for our market share of the tourism dollar."

For the upcoming year the Chamber has developed an "aggressive" marketing plan, said Hagerman. This plan includes attending two or three more trade shows than last year, improving the Four Season

Travel Guide, developing convention business and making use of editorial and travel writers.

"It is a good solid marketing approach based on what has worked in the past, while pushing forward with new ideas for the 90s," he said. "Now is the time to keep moving forward."

"Haliburton County offers an accessible, friendly and environmentally attractive place to visit and invest. The potential to attract people and events here is great. We must continue to make our area known or else other areas will surpass us."

County council will consider the Chamber's funding request as part of their 1991 budget deliberations.

Club 35 gets grant for expansion

Club 35 has received \$83,340 from the provincial government to pay for an addition to their Halls Lake building.

The grant was one of 16 handed out in Victoria-Haliburton by the Ministry of Tourism and Recreation.

The grant will be used to build an addition to the building which will accommodate a new kitchen and washrooms. Also, fill will be added to the property to allow a ground-level entrance to the facility to replace the basement en-

trance now being used.

As well, the building will be made accessible for wheelchairs.

Club member Murray Daniels says it's the first time in the club's 40-year history that any government money has been received.

Minden Tykes beat Fenelon

Minden's Major Tykes and their counterparts from Fenelon Falls have played close games all season and when the Fenelon team came to town last Sunday, the match was no exception.

The first period was filled with exciting end-to-end action from both teams. Andy Kinsmen opened the scoring for Minden on a nice pass from Ben Carpenter. Fenelon then tied up the score early in the second period. Andy Kinsmen scored a quick tie-breaker with a goal assisted by Stephen Johnson. Fenelon reciprocated with another goal, tying up the match at 2-2.

Jamie Colliss outskated Fenelon, scoring Minden's third goal on a pass from Andy Kinsmen. Another tie goal was scored by Fenelon eleven seconds into the third period. Then it was Justin Walker netting his first goal of the season set up by Adam Tomlinson and Andy Kinsmen. The winning goal was deposited in Fenelon's net by Stephen Johnson making the best of a pass from Andy Kinsmen.

Throughout the game Fenelon had several opportunities to dominate the scoring, but the team, including Graham Neave, Jordan Campbell and Nicholas Mitchell kept them at bay.

Mark Snell's goaltending

ability throughout the game also was a major factor in Minden's victory.

All in all, Minden's Major

Tykes played an outstanding game and must all be congratulated for their great team effort.

Pee Wees win again

by Bill Redgrave

Minden travelled to Bobcaygeon Sunday evening, February 17 for a return engagement in the third playoff game of the Tri-County Pee Wees schedule.

It was a see-saw affair with Minden opening the scoring at 7:14 of the first on a goal by Arron Belton, assisted by Tommy Neville.

The second period saw Bobcaygeon out hustling Minden and they scored back to back goals at 6:29 and 5:23 to take the lead. Arron Belton scored his second goal on a nice play assisted by Andrew Crego at 2:53 to tie the game. Bobcaygeon however, scored with just 23 seconds left in the second period to take a 3-2 lead.

The third period saw some of Minden top guns deciding it was time to wake up. The Minden squad had been outplayed and outshot up to this point and only some quality saves by Terry King kept the Monarchs close.

Todd Redgrave opened the third period with a goal at 14:02, assisted by Benji Crego to tie the game at

3-all. Bobcaygeon bounced right back to take the lead again 61 seconds later. Andrew Crego blasted a shot past the Bobcaygeon goalie at 11:59 to tie the game a 4-4.

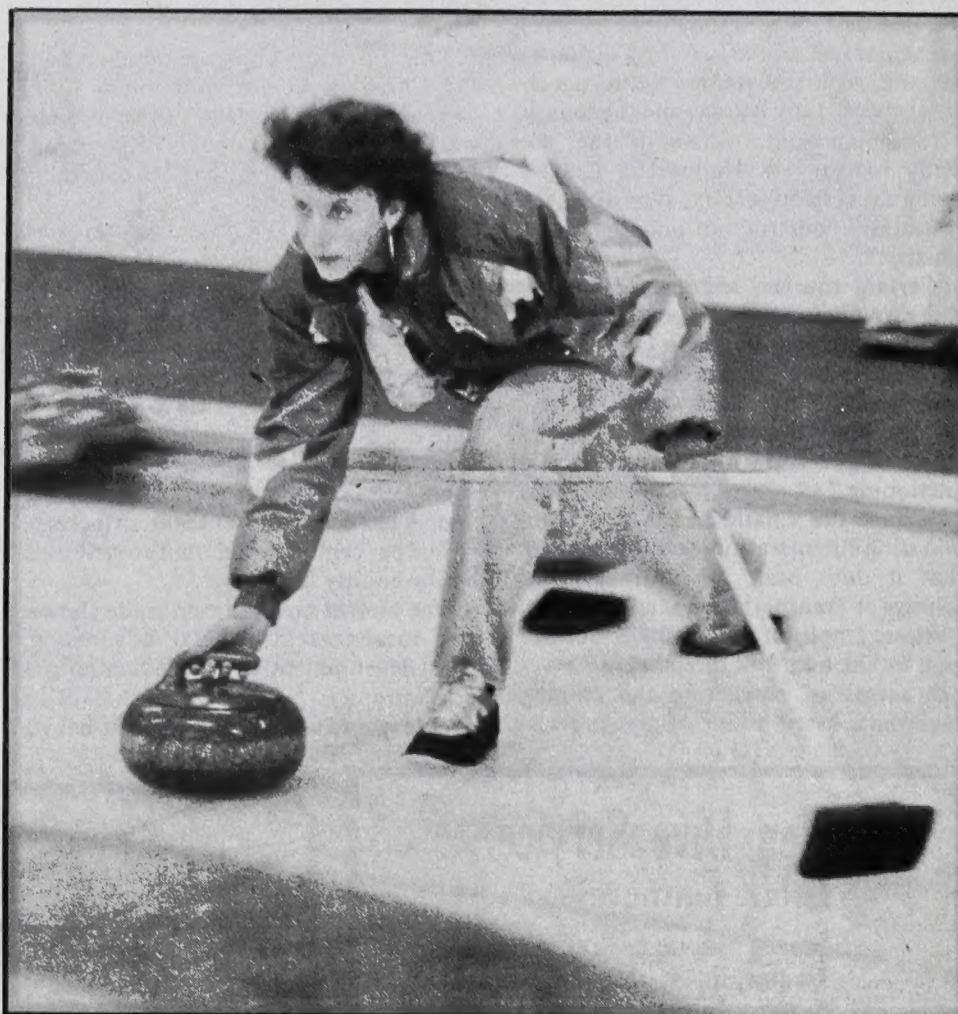

Todd Redgrave scored the winner at 8:45 on a Dave Fitzell pass to make it 5-4 for Minden. Marty Dettman was finally rewarded for his efforts when he banged in an Arron Belton passout with 6:09 left in the third for the insurance marker, Minden badly needed. Final score, Minden 6 - Bobcaygeon 4.

The Minden Tri-County Pee Wees hosted Beaverton Tuesday evening, February 19. Todd Redgrave led Minden with four goals in a 9-4 triumph.

The first period saw Travis Willison who played a strong game score at 4:39 assisted by Todd Redgrave and Dave Crego. Beaverton tied the score at 2:51.

Thirty-two seconds later Todd Redgrave picked up a Travis Willison pass to beat the Beaverton goalie to make it 2-1 for Minden. Beaverton tied the score

(more on page 13)

Rock steady

Vice Jennifer Debes helped bring the Haliburton Highlands Secondary School girls team to victory during a zone tournament last Thursday, in a game against Fenelon Falls. Although the local boys team didn't fare as well, the girls went on to the Kawartha West competition last Friday.

Sid Stamp goalie Ron Telford prepares to pounce on the puck after a shot by the Westside opposition. The Stamp team won the game, the second in the semi-final play-offs, 7-4. Other Monday night scores in the Men's Recreational League included Hartwick Construction over Rockcliffe Tavern 8-7 and Home Hardware shutting out The Times 11-0. After two weeks of play-off action, Home and Stamp remain undefeated, The Times and Rockcliffe are winless, and Hartwick and Westside stand at one win and one loss apiece.

Winners from the 7th Rockbuster Bonspeil

The Anderson rink of Bobcaygeon, above, won the 'C' event in the Minden Curling Club's seventh annual Rockbuster Bonspiel held February 15, 16 and 17. Bob Patton, far right, sponsor of the Northshore Lawn and Garden trophy, was on hand to present the winners with their prize. Members of the rink included, from the left, skip Morris Anderson, vice John Anderson, second Herb Britton and lead Michael Anderson. The popular Bonspiel attracted a full 36 teams. Other winners included; at left from top to bottom, 'A' event Frontier Motor Trophy, Ian Dobson, Dave Wilson, Gary Jackson and Fred Lamb of Cannington; 'B' event Prentice-Berry Trophy, Bob Clark, Dean Martin, Peter Clement, and Lance Crawford of Elmira; 'D' event Dollo's IGA Trophy, Mike Knightly, Norm Abbott, Gary Coyle and Peter Costin of Scarborough.

Novices win Uxbridge tourney

On Saturday, February 16, the Tri-County Novice A team travelled to Uxbridge for a tournament.

It was a early (9 a.m.) game and the boys were defeated in the first game against the strong team from Ops 5-0.

The team was finally awake for their second game against the team from Uxbridge and went on to win 5-0. Josh Shaw started the scoring with an assist from Dan Nielsen but it wasn't until the second period that another goal was scored by Paul Daniels assisted by Greg Kerr. The third period

saw Michael Hamilton scoring first, Josh Shaw second, and finally Colin McKenzie assisted by Josh Shaw.

The win in the second game entitled the team to go on to the Championship game with Ops. Ops started the scoring nine seconds into the game and it wasn't until the second period that Minden came ahead with a goal from Michael Hamilton and another goal from Dan Nielsen assisted by Trevor Cole. The third period was a 15 minute period and although the boys were tired it was a very exciting period. Ops

scored again to tie with Minden but Minden rallied again to score two more goals by Paul Daniels, the first assisted by Colin McKenzie and Michael Hamilton, and the second assisted by Greg Kerr and Richard Brohm. Minden took the championship with a 4-2 win over Ops. Congratulations!

They couldn't have done it without the defencemen not mentioned earlier--Trevor Woods, Jason Scott and Jordan Barclay--and of course goalie, Shane Walker. Well done boys!

The Guidance Department of
Haliburton Highlands Secondary School
presents:

POST-SECONDARY INFORMATION NIGHT *"A Focus On The Future"*

on WEDNESDAY, FEBRUARY 27th, 1991

at

7:30 p.m.

in the school gymnasium

High School students and their parents are invited to attend our Post Secondary Information Night.

The program will consist of information regarding post-secondary opportunities and the role parents can play in assisting their son/daughter in making career choices. A panel of post-secondary representatives will provide information and answer questions concerning universities, colleges, apprenticeships, The Canadian Armed Forces, Private Vocational schools and current employment trends.

Twenty-three members of the Minden Figure Skating Club recently took part at the Kawartha Highlands Interclub competition in Lakefield. They are, from left, back row: Mary Donovan, Jane Symons, Andrea Pawluch, Erin McKnight, Sarah Brohm, Lisa Ranson, Cori Barkwell, David Hollows. Middle Row: Chairman Nancy Garbutt, Tristan Pawluch, Jessica Berry, Stacey Walker, Rachel Brown, Danielle Berube, Kristi

Barkwell, Marita Schrader, President Nick Pawluch. Front row: Keri Hartwick, Krista Matysek, Louise Howell, Katrina Matysek, Janene Garbutt, Julie Vanderlip, Brandi Hewson, and Jody Reid. Absent are Kyla Grexton and Lisa Carr. Janene Garbutt, Tristan Pawluch, Julie Vanderlip and Lisa Carr will go on to the EOSIC in Belleville on March 2 and 3.

Minden skaters win Club Trophy

by Nancy Garbutt

Twenty-three skaters, all members of the Minden skating Club, competed at the 20th Anniversary, Kawartha Highlands Interclub Competition, in Lakefield, on February 17, 1991. Minden accumulated 26 points, to win the Club Trophy, for the seventh time in the last 10 years.

Points are earned by placing in the top three in your event, with three points for first, two for second, and one for third. Results for the day are as follows:

Canscate A (8 yrs. & under) - Krista Matysek, Figures - 1st, Freeskate - 1st (qualified for final), 3rd overall.

Canscate B (9 yrs. & over) - Brandi Hewson, Figures - 4th, Freeskate - 4th; Erin McKnight, Figures - 5th, Freeskate - 5th; Rachel Brown, Figures - 1st, Freeskate - 1st (to qualify for the final), 4th overall.

Canfigureskate - Stacey Walker, Figures - 3rd, Freeskate - 5th, 5th overall; Jessica Berry, Figures - 6th, Freeskate - 6th, 6th overall.

Pre-preliminary A (8 yrs.

& under) - Keri Hartwick, Figures - 6th, Freeskate - 6th, 6th overall.

Pre-preliminary B (9 yrs. & over) - Katrina Matysek, Figures - 9th, Freeskate - 2nd, 3rd overall.

Pre-preliminary Men B - Tristan Pawluch, Figures - 1st, Freeskate - 1st.

Preliminary Ladies - Jody Reid, Figures - 2nd, Freeskate - 3rd (qualify for final - 4th); Louise Howell, Figures - 7th, Freeskate - 3rd, 4th overall; Sarah Brohm, Figures - 7th, Freeskate - 7th, 7th overall.

Pre-juvenile Ladies - Kyla

Grexton, Figures - 4th, Figures - 7th, 6th overall; Lisa Ranson, Figures - 4th, Freeskate 8th, 8th overall.

Juvenile Ladies - Janene Garbutt, Figures - 5th, Freeskate - 3rd, 2nd overall; Marita Schrader, Figures - 9th, Freeskate - 12th, 12th overall.

Pre-Novice Ladies - Andrea Pawluch, Figures - 2nd, Freeskate - 5th, 4th overall.

Pre-preliminary Mixed Dance - Tristan Pawluch and Julie Vanderlip, 1st.

CORPORATION OF THE TOWNSHIP OF STANHOPE

PUBLIC NOTICE

TAKE NOTICE that the Council of the Municipal Corporation of the Township of Stanhope, proposes to enact a by-law to stop-up, close and convey to the abutting property owner(s) that part of original shore road allowance and also that part of the Road on Registered Plan 187, set out and described as follows:

FIRSTLY: All and Singular those certain parcels or tracts of land and premises situate, lying and being in the Township of Stanhope, in the County of Haliburton and being composed of part of the 66' original shore road allowance lying in front of Lot 1 Concession IX, and also part of the Road as shown on Registered Plan 187, being more particularly described as Parts 1 and 2 respectively on a Plan deposited in the Registry Office for the Registry Division of the County of Haliburton as Plan 19R 5074.

THE PROPOSED BY-LAW will come before the said council for consideration at its regular meeting at the Municipal Office in the Township of Stanhope on the 10th day of April, 1991 at the hour of 11 A.M., and at that time, the Council will hear in person or by his/her counsel, solicitor or agent any person who claims that his land will be prejudicially affected and who applied to be heard.

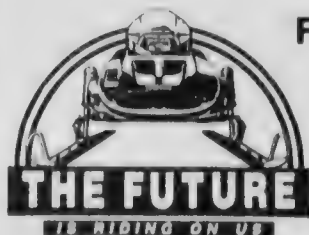

DATED: February 5, 1991.

Skaters earn top marks at Kawartha inter-club competition

(from page 12)

Pre-preliminary Similar Dance - Julie Vanderlip and Katrina Matysek, 2nd.

Preliminary Similar Dance - Sarah Brohm & Louise Howell, 2nd; Danielle Berube and Jody Reid, 3rd.

Junior Bronze Similar Dance - Kristi Barkwell and Marita Schrader, 1st; Kyla Grexton and Lisa Ranson, 3rd.

Preliminary Interpretive - Tristan Pawluch, 10th and Julie Vanderlip, 9th.

Bronze "A" Artistic - Janene Garbutt, 1st and Cori Barkwell 3rd.

Bronze "B" Artistic - Lisa Carr, 1st.

We are very proud of our skating team. Each year skaters are chosen by the

professional coaches to represent their club at the Kawartha Highlands Inter-club Competition. Eight clubs (Minden, Haliburton, Apsley, Bobcaygeon, Fennell Falls, Lakefield, Lindsay and Bancroft) compete against each other in Figures, Freeskate, mixed and similar dance, pairs, artistic and interpretive skating. Haliburton Skating Club will host the event in 1991. The event will run two days. It has only run for one day up to now. We began on Sunday at 7:20 a.m. and finished up at 9:30 p.m. It was a very long day, especially for the coaches, skaters and parents who had to be there for the first figure warm-ups at 7:20. Thank you to everyone who stayed to the end. We

realize with small children it is impossible to stay until all the events are over. For those who did however, it was exciting to hear our name (The Minden Skating Club) announced as the Club Trophy winner.

Our professional coaches, Jane Symons, David Hollows and Mary Donovan are to be congratulated for their effective coaching. Choreographers, Barrie Wood and Lisa Carr should also be commended for their work on the Artistic programmes. Barrie coaches Janene Garbutt and Lisa coaches herself.

The skaters who placed first in their events have the opportunity of going on to the next level of Interclub Championships. All the Interclubs in the Section

compete against each other. We have four skaters who have advanced to E.O.S.-I.C.: Lisa Carr in Artistic B, Janene Garbutt in Artistic A, Tristan Pawluch in Pre-preliminary B Men

Singles and Tristan Pawluch and Julie Vanderlip in Pre-preliminary Mixed Dance. If they place in the top three at E.O.S.I.C., they will advance to the All Ontario Championships.

We wish our four competitors lots of luck and good skating at E.O.S.I.C.

Congratulations to each and every one of our team for a job well done!

Pee Wees blast Beaverton 9-4

(from page 10)

with 1:21 left in the first to make it 2-2.

Todd Redgrave scored a hat trick in the second period and also set an unofficial record as of press time in scoring two goals in six seconds, both assisted by Bobbi Griffin on both pretty passing plays.

Todd Redgrave scored at 3:28 and 3:22. Both were assisted by Bobbi Griffin. It has to be a record too.

Arron Belton made an end-to-end rush to score a

nice goal at 2:33. With just 16 seconds left in the second period, Todd Redgrave banked in an Andrew Crego pass for his hat trick in one period and his fourth goal of the game.

The second period ended 6-2 for Minden.

The third period saw defenceman Dave Fitzell score on a shot from just inside centre ice that eluded the Beaverton goalie at 14:48 on a pass from Bobbi Griffin, who played a strong

game.

Beaverton came back with two back to back goals at 12:32 and 9:49.

Andrew Crego let a screamer go past the Beaverton goalie on an Arron Belton pass a 2:43.

Marty Dettman, who worked his heart out as usual, found the twine finally with 51 seconds remaining. Travis Willison and Benji Crego picked up the assists. Final score of playoff game four, Minden 9 - Beaverton 4.

Lottery profits help hospitals.

On the night of the car accident, Bruce was not expected to live. Fortunately, a specially equipped and staffed trauma unit was ready and standing by at a nearby hospital. This special facility helped Bruce beat the odds and he has returned to work.

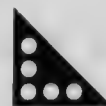

Helping hospitals is just one way lottery profits are used.

Lottery profits are also used to provide grants in other areas such as helping people with disabilities.

They also help fund sports and recreation, arts and culture, and province-wide charities.

This is how Lottery funds are working for you in your area.

Stanhope seniors get \$12,000 grant for new programs

Bill Scott is pleased to announce the approval of five projects in Victoria-Haliburton under the New Horizons Program of the federal department of Health and Welfare.

\$12,024.000 has been granted to the Stanhope Senior Social Club of Haliburton, Ontario, to assist in its recreational and social programs. Line and square dancing, as well as new

crafts programs, will be introduced for the benefit of retirees and interested people.

The Lindsay Senior Citizen's Association was granted \$11,216.00 to enhance its recreation programs. The group will also produce a newsletter and develop materials to promote its special events.

A contribution of

\$18,488.00 was awarded to the Greater Harvey Historical Society of Buckhorn, Ontario, to establish its organization and initiate a variety of community historical events. The seniors also plan to research and produce a book on the history of the area.

The Cannington Lawn Bowling Club of Cannington, Ontario, received

\$26,022.00 to improve and expand its clubhouse facilities, as well as enhance its program of activities.

A contribution of \$18,348.00 was also award-

ed to the Kirkfield and District Seniors Club of Kirkfield, Ontario, to assist the moving of club activities to the new Lions Centre, as well as establishing expand-

ed programs.

The New Horizons Program is designed to encourage retired citizens to become more involved in community activity.

Bark Lake camp allotted \$1.7 million

The Ontario Camp Leadership Centre, located at Bark Lake near Irondale, will receive more than \$1.7 million in provincial funding for renovation projects to provide more comfortable surroundings for Ontarians learning about camping, outdoor education and recreation leadership skills. The funds are part of the government's \$700 million economic stimulation program.

"People learning outdoor skills don't necessarily want to abandon comfort while doing so," said Ontario Minister of Tourism and Recreation Peter North. "This funding means Ontarians will gain an education in and about the great outdoors without sacrificing pleasant accom-

modations. It also means the creation of about 30 jobs during the recession, a priority of our government."

"The Ontario Camp Leadership Centre is an ideal location for both teachers and students of the outdoors," said Victoria-Haliburton MPP Dennis Drainville. "Its maintenance is essential to preserve a unique and successful educational program."

The projects are as follows:

- Renovation and upgrading of five program buildings to provide accessibility to people with disabilities and winter use to all taking outdoor environmental leadership programs.

- Replacement of six 25-year-old seasonable

accommodation units with two fully-accessible units for year-round use.

- Renovation of 20-year-old washroom/shower units to allow accessibility for disabled persons.

- Upgrading of 25 kilometres of nature/environmental trails for improved safety, accessibility to people with disabilities, and year-round use for outdoor and environmental leadership programs.

Guild of Fine Arts show displays best talents of its members

The Haliburton Guild of Fine Arts, incorporated in 1969, was formed to encourage an awareness of and an appreciation for arts and crafts in the Haliburton Highlands. Eight groups currently compose the Guild with each group providing educational and artistic leadership for its members.

Celebration '91: The Best of Member's Show showcases the creative talents of members with the Haliburton Highlands Guild of Fine Arts. This mixed media exhibition features weaving, painting, pottery, rug hook-

ing, pottery, plus much more! One of the Guild's most ambitious projects was to establish the Rails' End Gallery in 1979, and it is within this Gallery that Celebration '91: The Best of Member's Show will be on display. This exhibition offers an excellent opportunity to view arts and crafts indigenous to the County of Haliburton.

Celebrate '91 opens on Friday evening, February 15 with the presentation of scholarships and awards and continues until Saturday, March 16, 1991.

For further information

about this and other exhibitions, please contact the Gallery office at 705-457-

2330.

The Rails' End Gallery is housed in a century-old

railway station in the heart of the village of Haliburton. The gallery is open to the

public, Tuesday to Saturday, between 10 a.m. and 5 p.m.

Public invited to waste management seminar

The citizens of Haliburton County are invited to attend a Waste Management Education Seminar March 9, 1991. It will be held between 1 p.m. and 5 p.m. at the Haliburton Legion.

The seminar will explain the processes being used to determine where and how your waste will be disposed of in the future. This seminar will also highlight

important methods the public can use to influence the decisions made during this study.

If you plan to attend this seminar or would like more information on the Waste Management Master Plan please contact Len Munt, Waste Management Coordinator at 705-286-1333.

Your participation can make a difference!

Legion Euchre February 14

Most lone hands, ladies - Pearl Cowen, men - Marg McAfee, high man - Tod Edgson, lady - Beverly Johnson, others, lady - Bea James, man - Bill Mitchell. Draws - Lila Mitchell, Horry Baker, Lorna Bridgman, Murray MacKinnon.

Are You Like The Old Hot Dog Vendor?

An old man had a roadside hot dog stand. He didn't both listening to the radio. he didn't bother to read

newspapers.

But he sold very good hot dogs.

His signs on the highway attracted people.

He stood out front and promoted hot dogs.

He did very well.

He increased his meat and bun orders.

He bought a bigger barbecue for cooking.

His son came from university to help him.

The son (an economics major) said to his dad,

The radio and newspaper say that

We've got a terrible recession coming.

The old man figured that his son was learned.

So he cut down on his meat and bun orders.

He cut back on his highway advertising.

He stayed off the highway and worried.

His hot dog sales fell almost

overnight.

"You're right, son," the old man said.

"We really are suffering a great recession."

Ron and Carol Johns and children from Coburg and the Paul Sissons and girls of Bracebridge spent the weekend at their summer home in Gelert.

Book Exchange of the West branches of Haliburton County Libraries are this week with books on the shelves for Thursday, February 28.

Helen Burk enjoyed last weekend at Oshawa with

Jean Dart and family.

Teressa Brown and a friend of Ottawa spent the weekend at the Wally Browns and there was a birthday party for Master Kyle Brown at that time.

Good wishes to these people who have been on the sick list: Celia Brown, Jim Dugan, Mary Currah, Lil Davidson, Doris Robertson, Wayne Anderson and Jeanne Simpson.

The Gelert Euchre games for February 19th were cancelled due to weather conditions, but next night there is March 5.

Weekend guests with Dorothy McElwain were son Trent of Pickering and Mike and Maureen and boys of Millbrook.

Julie and Bill Woolfrey of Bridgenorth were weekend guests with her parents Audrey and Bob Vick.

Winners at the St. Paul's Monday afternoon euchres on February 18 were: lone hands - Edna Trumbull, and others - Verna McDonauld, Wyona Spicer, Dorothy McElwain and Eleanor Pye.

Sunday guests at the Bob Vicks were Paul and Sharon

Sisson of Bracebridge and Frank and Marion Bacon of Bobcaygeon.

Coming events include: February 27 - Meeting of County Town Museum Committee at 10 a.m. at the Museum Building. Each Wednesday during Lent there is a Service at St. Paul's Anglican church at 12 noon followed by a lunch, with cost: \$1.

The Wheels to Meals that was supposed to take place at the Royal Canadian Legion in Minden on February 26, 1991, has had to be cancelled due to an upgrade (more on page 24)

The cost of mailing out of town subscriptions is about to go through the roof!!

As a result of postal rate increases announced in December, and effective March 1, 1991, the cost of mailing subscriptions to readers beyond a 65 kilometer radius of Minden will increase dramatically. (For example, the cost of mailing last week's edition, under the new rate structure, will be close to 600% more.) The increase is so large that *THE TIMES* will be unable to absorb the impact. Therefore, we are forced to add a \$20 postal surcharge to all subscriptions purchased by readers in Canada outside the 65 kilometer zone.

THE TIMES and our provincial and federal newspaper associations have been lobbying the federal government to delay this massive increase, or at least phase it in over a longer period to allow the industry time to adjust. However, at this time it would appear Canada Post intends to implement this new policy March 1 and so our only recourse is to impose the surcharge to cover the increased costs.

We apologize to our readers who will be affected by this surcharge.

Readers within the 65 kilometer radius of Minden, which includes most of Haliburton County, will not be affected by this additional surcharge. *THE TIMES* will also honour all subscriptions purchased at previous rates.

THE TIMES feels this increase in postal rates is too large, is being introduced too quickly, and at a time when economic forces are already creating uncertainty. The surcharge will particularly affect the many cottage owners who subscribe to *THE TIMES* to keep up with news from this area. If you feel this rate increase is unfair, please write your Member of Parliament and the Minister responsible for the post office, Harvie Andre to voice your concern.

Thank you for your continuing support

Canadian Forces help to clear invaders from Kuwait

Canada is now engaged in military activity supporting United Nations resolutions designed to end Iraq's illegal and brutal occupation of Kuwait following its invasion August 2, 1990.

Our nation, along with virtually every other country

in the world, has supported and encouraged all genuine efforts to persuade Iraq to abide by international law. Iraq has consistently ignored United Nations resolutions which have been called for its peaceful withdrawal from Kuwait.

Canadians are a peaceful

Report from Ottawa

With Bill Scott, MP

people dedicated to a peaceful world. As a founding member of the United Nations in 1945, we have been one of the strongest supporters of the United Nations and its principles: world order and peace. We must not forget the sheer brutality which characterized Saddam Hussein's invasion of Kuwait last August. Amnesty International issued a report last December that catalogues the outrages perpetrated against innocent

Kuwaitis by their Iraqi invaders. This frank account of random killing, torture and human rights abuses is truly shocking.

Let us also not forget that Canadians were held hostage for more than four and one-half months. While Canada and the world

sought a peaceful end to the Gulf situation, Saddam Hussein held his "guests" as human shields against possible attack.

Are these the acts of a man who would leave Kuwait merely by being asked?

Canada has acted with the United Nations and its Allies in the interests of preserving world order, defending the effectiveness of the United Nations, and

ultimately standing up for our principles. A failure to act would undermine the United Nations and would tempt other ambitious dictators to defy international law.

We need only ask ourselves what we would want the world to do if we were ever subjected to the horrors inflicted upon Kuwait. We would want justice; we would want action; and we would want them now.

Minden WI members hear report on problems of Indians

Members and guests of Minden Women's Institute had their February 20 meeting in the Common Room. There was a report from Mrs. Bill Moore of 22 cards sent since the last meeting and collections for Card Fund and Pennies for Friendship were taken. Convenor Jean Lacey had as her topic a paper on Canadian Indians and some recent events dealing with their problems.

The president was pleased to welcome two guests and 13 members replied to Roll Call with their school items or paid a fine. A clipping from The Toronto Star was read from that day's edition showing some thoughts of Grade 11 & 12 students.

Then, following adjournment, all could look at the items turned for roll call and a social half-hour followed with lunch served by the committee. Next meeting with be March 20 at 2

p.m. in the Common Room and we welcome new members and guests.

Jeanne Sears, P.R.O.

Global degradation exacerbated by science, technology

Our continued assault on the planet is predicated on a pervasive faith in science and technology. It's implicit in Robert Bourassa's grand scheme to harness every major watershed in Quebec's north and convert James Bay into a freshwater lake.

Belief in technological know-how allows the forest industry to state that large-scale clear-cut logging, slash burning, monoculture planting, fertilizing and chemical spraying, preserves forests forever.

Techno-optimism enables "experts" to claim they can predict and manage the consequences of massive dams, oil developments and pulp mills. While technological innovation has created unprecedented levels of health, consumer goods, physical comfort and affluence for a privileged minority on the planet, life has not improved for most of humankind.

Indeed, global degradation—atmosphere change, toxic pollution, overpopulation, agricultural land loss, deforestation and species extinction—now threatens all life and is often caused and exacerbated by our use of more science and technology. Yet we

Reflections

by David Suzuki

remain oblivious to the costs and negative consequences of new technologies.

Once I was a guest on Peter Gzowski's 90 Minutes Live, along with writer Kurt Vonnegut Jr. and ex-Harvard psychologist Timothy Leary. Leary expounded the benefits of SMILE — space migration, intelligence, increase and life extension. He was deadly serious but Vonnegut and I simply dismissed him as having taken too much LSD.

In a delightful book with the zany title *Great Mambo Chicken and the Transhuman Experiment* by Ed Regis (Addison-Wesley Publishing Co.), it becomes obvious Leary was simply following some of the leading scientists of our time. The book is an entertaining but serious chronicle of the history and personalities behind mind-popping notions.

Cryonics is the freezing of the dead for resuscitation by advanced societies of the future. The I.5 Society envisions the construction of immense colonies in outer space to absorb Earth's excess pollution. Nanotechnology is the creation of machines the size of molecules. Immortality is promised by duplicating all of human memory in a computer and beaming millions of backup copies across the universe. Starlifting refers to taking the sun apart and "harvesting" its energy more efficiently. Cosmic engineering is done by moving entire galaxies with vast solar sails. And as Regis documents, respectable often pre-eminent, scientists, promulgate and legitimate these ideas.

The resulting techno-optimism is fed by what Regis calls "fin-de-siecle hubristic mania", an irrepressible urge to break past the physical limits restraining humankind and a belief in the power of the human intellect to do so.

Science can have destructive powers

(from page 20)

sums it up in a catechism that "everything possible will eventually be accomplished". Fear of death and an ache for immortality also impel the technological drive. Whether it's cryonics, computer duplication of human memory or engineering a more "efficient" universe, the goal is to exist forever. And if death is unacceptable, so too are the inadequacies of the human condition.

Thus Regis quotes Carnegie-Mellon computer whiz Hans Moravec on biological needs like food and sex: "I resent the fact that I have these very insistent drives which take an enormous amount of effort to satisfy and are never completely appeased."

Regis cites aeronautical engineer Bob Truax asking: "What right-minded engineer would try to build any machine out of lime and jelly? Bone and protoplasm are extremely poor structural materials."

To technocrats, nature itself can be improved.

Austrian Physicist Cesar Marchetti believes that "a trillion people can live beautifully on the earth for

an unlimited time and without exhausting any primary resources and without overloading the environment." It just requires remaking the planet so that our "coupling with the earth will be practically nil".

Princeton physicist Gerard O'Neill prefers space colonies because they would be "far more comfortable, productive and attractive than is most of Earth".

His colleague, Freeman Dyson, regards galaxies "in a wild state" as "wastefully shining all over the galaxy" so they should be brought under human control and put to use.

This is the very attitude underlying many mega-projects.

Regis shows that our techno-faith is rooted in hubris, fear of death and an alienation from our biological roots so profound that we actually loathe our bodies and hold nature in contempt.

It is a tragically perverse and misguided basis for applying that enormous power of science and technology.

Dorset ministry acid rain report

The following report on precipitation events was recorded at the Ministry of Environment acid rain testing station in Dorset and compiled by Environment Canada.

This report covers the period of February 10 to February 16.

February 10, 2 cm snow, 5.1 pH, from Northern Lake Huron.

February 12, 1 cm snow, 5.0 pH, from Lake Huron and Northern Michigan.

February 13, 3 cm snow, 4.4 pH, from Eastern Ontario and Western New

York.

February 14, 12 cm snow, 4.4 pH, from Eastern Ontario.

February 15, 1 cm snow, 4.4 pH, from Northeastern Ontario.

February 16, 1 cm snow, 4.2 pH, from Southern Iowa and Southern Michigan.

Environmental damage is usually observed in sensitive areas regularly receiving precipitation with pH less than 4.7. Readings of 4.0 pH or less are considered dangerous. The lower the reading, the more acidic the precipitation.

Kids' Korner

by Jean Lacey

Hi Kids!
Here is another puzzle for you with a word list. Look in the diagram of letters for the words given

in the list. Find them by reading up, down, forward, backward and diagonally. They are all in a straight line and do not skip letters.

Circle the words in the diagram and cross it off the list.

It's as easy as that. Have fun!

CORPORATION OF THE TOWNSHIP OF LUTTERWORTH

PUBLIC NOTICE

TAKE NOTICE that the Council of the Municipal Corporation of the Township of Lutterworth, proposes to enact a by-law to stop up, close and convey to the abutting property owner a portion of the original allowance for road set out and described as follows:

FIRSTLY: ALL and singular those certain parcels or tracts of land and premises situate, lying and being in the Township of Lutterworth, in the County of Haliburton and being composed of part of the original sixty-six foot shore road allowance along the shore of the Gull River, lying in front of Part of Lot 4, Concession 14, and being more particularly described as Part 1 on a Plan deposited in the Registry Office for the Registry Division of the County of Haliburton as Plan 19R-5050.

THE PROPOSED BY-LAW will come before the said Council for consideration at its Regular Meeting at the Municipal Office, located 3 miles south of Minden on Highway #35 on the 21st day of March, 1991, at the hour of 7:00 P.M. and at that time, the Council will hear in person or by his or her counsel, solicitor or agent any person who claims that his or her land will be prejudicially affected and who applies to be heard.

DATED at the Township of Lutterworth this 23rd day of January, 1991.

Mary Jane Irwin,
Clerk,
Township of Lutterworth,
P.O. Box 176,
Minden, Ontario
K0M 2K0

CORPORATION OF THE TOWNSHIP OF LUTTERWORTH

PUBLIC NOTICE

TAKE NOTICE that the Council of the Municipal Corporation of the Township of Lutterworth, proposes to enact a by-law to stop up, close and convey to the abutting property owners portions of the original allowance for road set out and described as follows:

FIRSTLY: ALL and singular those certain parcels or tracts of land and premises situate, lying and being in the Township of Lutterworth, in the County of Haliburton and being composed of part of the original sixty-six foot shore road allowance along the shore of East Moore Lake, lying in front of Part of Lot 24, Concession V, Township of Lutterworth, and being more particularly described as Parts 1, 3 & 5 on a Plan deposited in the Registry Office for the Registry Division of the County of Haliburton as Plan 19R-5072.

THE PROPOSED BY-LAW will come before the said Council for consideration at its Regular Meeting at the Municipal Office, located 3 miles south of Minden on Highway #35 on the 21st day of March, 1991, at the hour of 7:00 P.M. and at that time, the Council will hear in person or by his or her counsel, solicitor or agent any person who claims that his or her land will be prejudicially affected and who applies to be heard.

DATED at the township of Lutterworth this 30th day of January, 1991.

Mary Jane Irwin,
Clerk,
Township of Lutterworth,
P.O. Box 176,
Minden, Ontario

Despite nasty weather, seniors visit Extendicare

Saturday is usually a quiet day, except for visitors. There are so few visitors that I know. If residents who have visitors would tell me who had come to see them, I would be happy to put it in my column. I think most people like to see their name in print.

Marion Fisher has been coming in on Saturdays to read to us. It is a welcome break in a long day. We enjoy her reading and thank her very much.

Reverend John Burgess held Chapel Service Sunday evening. He very seldom misses a service. Alice Jones was the organist. We really appreciate both Rev. Burgess and Alice greatly. Leon Jones came with his mother to the service, we are glad to see Annie so much better.

Congratulations to Ruby Lewis who had her 80th birthday February 11, 1991. Her daughters, May and Doris, had noon lunch and a birthday cake with Ruby in the Tuck Shop.

Marjorie Shuyler also had a birthday February 11, a lovely cake was made by the kitchen staff. Happy birthday Marjorie and a good year is wished for you.

Monday evening Allan Rice and York Marion presented the movies for our enjoyment. They were "Bell Peggy Royal" - English horses and "Bike Style" - riding bikes in England when on vacation.

Marion Fisher read to us at 4 o'clock and Evelyn Coleman had Bible Study at 1 o'clock.

Senior League

by Winnifred Barnum

It was "Name That Tune" in the auditorium with Sharon Crowe conducting this quiz, we enjoyed it greatly.

Wednesday evening, Kathy Owen and Earl Cooper were here to entertain us with music. Kathy played the piano and accordion, Earl the violin and mandolin and both sang hymns. Everyone enjoyed the music and thank them very much.

Wednesday afternoon Grace Sipes came to visit her sister Gladys Kirpatrick. Grace is going to Florida this week, have a good time Grace. Eva Howe was also here to visit with me.

Tuesday morning Pastor Fast held the Chapel Service.

Thursday morning dawned a pretty nasty day but since Extendicare had everything prepared for us, we decided to go out. The Extendicare had invited Hyland Crest to dinner on Valentine's Day and since Doris is off, Bill Prentice drove the bus very expertly and we had no trouble. The Extendicare was beautifully decorated and the tables

were lovely. When dinner was over we were given the centre pieces and serviette holders to bring home. The dinner was delicious. Betty Salvatori played the piano during dinner. When dinner was over we were treated with entertainment by Mr. and Mrs. E. Pickard. Mr. Pickard played a grand accordion and Mrs. Pickard played small drums. Both sang those lovely old tunes, we certainly enjoyed it. In fact, we enjoyed the entire time we were there. Before we left we were served tea, coffee and fruit juice. Our hostesses were Administrator Jane Rosenburg and Activities Director Barbara Fryer and Mary Gallacher who represented the residents in welcoming us. Thank you. On our trip to Extendicare the volunteers who accompanied us were Dorothy McElwain, Bonnie Fulland, Ellen Holden and Carrie Drysdale and our driver Bill Prentice.

The Thursday Tea Party was brought to us by the Pentecostal Church of Allsaw, ladies. A lovely tea was served as well as a lovely Valentine's cake. The

ladies were Ruth McKnight, Elsie McPhail, Norma Hughes, Audrey Trumbull and Beth Parker. We were happy to see Beth Parker around following her illness. Sorry some of us were not here to attend. We all thank you ladies very much.

Thursday evening Marg Prentice and Shirley Howe called Bingo for us and we thank them wholeheartedly.

Friday was Happy Hour again. Bill Payne provided the entertainment. Bill never leaves us without entertainment. He sang and played the guitar during the Happy Hour time. Thank you Bill, we sure appreciate your coming. The volunteers who saw to everyone were Ellen and Don Holden and Mary Guillemain. Thank you very much.

THE CORPORATION OF THE TOWNSHIP OF STANHOPE

"DOG OWNERS"

In accordance with By-law 91-08 of the Township of Stanhope, it is hereby advised that the 1991 Dog Licences are now due.

The penalty for failing to procure a Dog Licence can be a fine of \$50.00, exclusive of costs, each day can be considered a separate offence.

Male Dog \$5.00
Female Dog \$10.00
Neutered or Spayed \$5.00

Dogs are not allowed to run at large

Licences can be purchased at the Township of Stanhope Municipal Office, R. R. 1, Haliburton, Ontario. K0M 1S0

By-Law Officer

AGGREGATE PRODUCERS AND LANDOWNERS

YOU ARE INVITED TO ONTARIO'S AGGREGATE RESOURCES ACT WORKSHOP

Producers of sand and gravel and landowners of pits and quarries are invited to attend workshops regarding the Aggregate Resources Act 1990, sponsored by the Ministry of Natural Resources.

The Aggregate Resources Act governs the extraction of aggregates on all Crown lands and on private lands in areas designated under the Act.

Ministry staff will outline the procedures for licence application, site planning, royalty and rehabilitation fees relating to aggregate producers and landowners of pits and quarries.

Schedule for the Aggregate Resources Act Workshop:

February 26, 1991 - 7:00 p.m. to 9:00 p.m.
Foley Administration Centre
Parry Sound

February 28, 1991 - 2:00 p.m. to 4:00 p.m.
Days Inn
Pembroke

March 6, 1991 - 2:00 p.m. to 4:00 p.m.
Coboconk Legion Hall
Coboconk

March 7, 1991 - 7:00 p.m. to 9:00 p.m.
Bancroft District Office
Bancroft

March 13, 1991 - 2:00 p.m. to 4:00 p.m.
Bracebridge Arena
Bracebridge

For further information contact your local Ministry of Natural Resources District Office.

CARD OF THANKS

The family of the late William Brown wishes to thank friends and relatives for their cards, phone calls, flowers, gifts and food. A special thanks to Steve and Sharon Crowe, Wayne and Freida Colman, and the Ladies Auxiliary of the United Church.

We wish to express our deepest thanks to those who so generously provided food during our time of need as well as the flowers and donations. We appreciated all the calls and offers of help over the last few months during Bob's illness. He always appreciated all your concerns. A special thanks goes to Dr. Good for his care, The Homemakers, the V.O.N. who made it possible for him to be at home as long as possible, the excellent care from the nursing staff of Haliburton Hospital, and Monk Funeral Home. Your kindness will always be remembered.

Bertha Hughes & Family

IN MEMORIAM

DEACON, HAROLD - In loving memory of a dear husband and father who passed away February 25, 1988.

Time may hide the sadness
Like a smile that hides the tears
But precious memories never fade,
Despite the passing years.

Always remembered by wife Elva and daughter Lois.

IN MEMORIAM

MINTZ: In loving memory of a dear husband and father Merv, taken from us February 28, 1990.

Just a thought of sweet remembrance
Just a memory sweet and true
Just the love and sweet devotion
Of those who think of you.

Never forgotten, Linda, Jefferey & Kevin.

MINTZ, MERVAL - In loving memory of a dear son and brother who passed away February 28, 1990.

They never grow old, the young who die before their years are spent.

They never grow old and tired and grey beneath life's burdens bent.

Always in our memories their faces will remain — as they were, untouched by time, unmarked by age or strain.

They never grow old. We recollect them as we knew them here. Whether it was long ago or only yesteryear.

They never change as we must change in look and character. For them it's always spring-time, and we see them as they were.

As long as hearts remember, As long as hearts still care, We never part with those we love —

"They're with us everywhere."

Sadly missed and always remembered by Mom, brothers Larry and André, sister Gloria, and families.

CHILTON, LAURETTA - In loving memory of a dear sister who passed away February 26, 1987.

Softly the leaves of memory fall
Gently I gather, treasure them all
Some may forget, now that you've gone.
I will remember, no matter how long.

Lovingly remembered by sister Bernice.

IN MEMORIAM

BAGSHAW: In loving memory of a dear husband, father and grandfather, Thomas C. Bagshaw, who passed away February 26, 1950.

A million times we've needed you

A million tears we've cried
If love could have saved you, Tom,

You never would have died.
The things we feel most deeply

Are the hardest things to say,
Our dearest how we loved you

In a very special way.
If we could have had one

lifetime wish,
Our dream that would come true,

We'd pray to God with all our hearts

For yesterday and you.

Sadly missed and lovingly remembered by wife Vera, son Tommy, daughter-in-law Marilyn, and grandchildren Lisa, Tommy Jr. and Kimberly.

LOMBARDI, ALEX-SANDRO - In loving memory of a dear son who was robbed of his life two years ago today.

We mention your name
And speak of you often
God Bless you, Alex,
You are not forgotten.

Always remembered, Kay.

AT RESTS

CHILTON: In loving memory of a dear wife and mother, Lauretta, who passed away February 26, 1987.

Two tired eyes are sleeping,
Two willing hands are still.
For one who suffered far too much

Is resting in God's will.
You never said goodbye to me,

For perhaps it's just as well.
I never could have said good-bye

To one I loved so well.

Always remembered by husband Jack, son John, Phyllis, Tracy and Cheryl.

AT REST

RICHARDS, HAZEL - At Aurora Resthaven Nursing Home on Wednesday, February 13, 1991. Hazel, beloved wife of the late Hugh Richards, dear mother of Rheta (Mrs. Clare Brown), Edith (Mrs. Don Burch), and Owen. Predeceased by her five brothers and three sisters. Sadly missed by her many grandchildren and great-grandchildren. Friends came to call at the Thompson Funeral Home, 29 Victoria Street, on Monday, February 18. Followed by a complete funeral service. Cremation.
